General Assembly Constituency Report 1

Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

Since filling a vacancy position for the College of Education and Human Ecology beginning on 1/24/24, I have made it my priority to engage with and represent my constituency. I have attended all the General Assembly meetings where I represent the interests and student voices of my constituency to the best of my ability. I hosted a Constituency Event with EHE Senator Deerman.2. We gave free Buckeye Donuts to our Constituents at PAES Building. We collected data about satisfaction within EHE and OSU as a whole through a Microsoft form.
