Sundays during the quarter when clean-up will occur:

April 4th, 11th, 18th, 25th

May 2nd, 9th, 16th, 23rd, 30th

Your group is responsible for cleaning on five of these Sundays. Please inform me of any conflicts that will make your organizations unavailable for certain Sundays, otherwise I will just pick five different days for you:

The streets will be assigned randomly, but if your organization has interest in cleaning a particular street (ie-The organization meets on Sundays on E. Lane for general body meetings) that can try to be arranged. I cannot guarantee you will be assigned that street, but I will try my best.
