Dear OSU Student,

Thank you for reading the 2023 version of The Ohio State University Renter's Guide, provided by the Undergraduate Student Government's Student Affairs Committee. It is our sincere hope that this publication will make your search for off-campus housing easier, and that it will allow you to make well-informed decisions in the leasing process. The following pages will provide you with data on landlords in the off-campus area, which was compiled from a survey commissioned by the Undergraduate Student Government (USG) and administered by the Center for the Study of Student Life. The Renter's Guide is one of many yearly USG initiatives to improve the student experience at OSU; for more information, please visit our website at usg.osu.edu to learn more about your student representatives and the work that we do. We welcome your feedback: please feel free to contact us if you have any questions, concerns, or feedback for how USG might better serve you.

Enjoy the Renter's Guide and GO BUCKS!

Purpose and Methodology

The data in the following report is intended to provide useful information about the previous experiences of OSU students living in the off-campus area. This is done through surveying and evaluating the perceived level of service tenants received from the rental companies. Survey participants were asked to complete online questions relevant to their experience with their respective landlord from the previous year. We hope that you will utilize this guide to help you make an informed decision when choosing a landlord. An excellent resource for related leasing information is Off Campus and Commuter Student Services, located in room 3106 of the Ohio Union. There is a section outlining their resources at the end of this Guide. The Undergraduate Student Government Renter's Guide survey was administered to undergraduate students living in the 43201 ZIP code. The survey yielded 473 responses. The Undergraduate Student Government would like to thank everyone who responded to the survey.

During your lease, did you have any emergency maintenance concerns? (Examples include basement flooding or heat not working in the winter)

On average, how quickly did your property manager tend to emergency maintenance concerns?

Did your property manager provide 24-hour notice prior to entering your property during non-emergency situations?

My landlord/property manager was cooperative during my move-out.

Did you receive your security deposit back?

Based on the condition that you left the property, do you feel that you received a fair portion of your security deposit back?

I would rent from my landlord/property manager again.

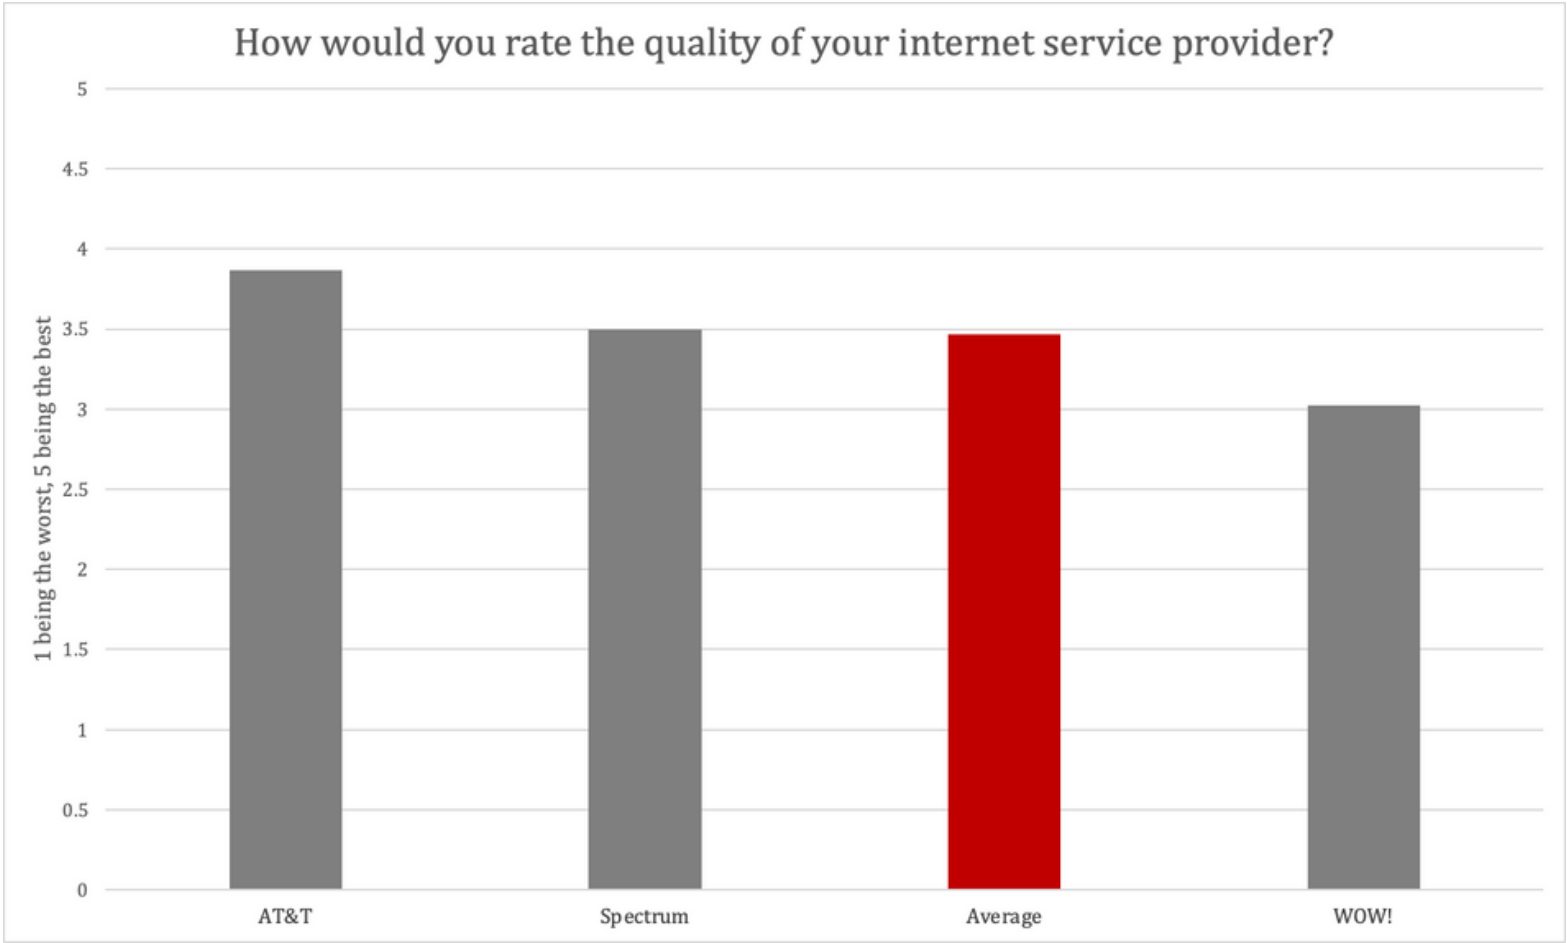

Please rate the overall performance of your property manager. (1 being the worst, 5 being the best)
