Whereas the Undergraduate Student Government represents all undergraduate students at The Ohio State University; and

Whereas students on satellite campuses have historically not been connected to the Undergraduate Student Government due to distance from the main campus; and

Whereas President McAlpine and Vice President Robinson plan to alleviate this disconnect by travelling to all satellite campuses and meeting with faculty, administration and student organization leaders; and

Whereas this trip will require an adequate amount of funds amounting to no more than $1000.00 for a rental car, mileage, food, and other miscellaneous items; and

Whereas the General Assembly approved the Undergraduate Student Government 2024 Autumn Semester budget for the McAlpine-Robinson Administration during the 2024 – 2025 academic year; and

Whereas any amendments to the budget are presented to the Allocations Committee; and

Whereas the Allocations Committee approved the amendment of the USG's 2024 Autumn Semester budget; and

Whereas the President, Chief Financial Officer, and the Senior Director of Allocations must submit the amendment approved by the Allocations Committee to all members of the General Assembly.

Therefore, Let it Be Resolved that the General Assembly approves the amendment to the Undergraduate Student Government 2024 Autumn Semester budget to add one line-item of
