59-B-8

A Bill to Amend the Autumn Budget for Beanies

Christopher Cade (for themselves and Isaiah Nire) introduced the following resolution to the Allocations Committee where it failed.

* * *

Whereas the Undergraduate Student Government represents all undergraduates at The Ohio State University; and

Whereas the Spring Involvement Fair provides an opportunity for USG to engage directly with undergraduate students, promote awareness of its advocacy and services, and encourage students to become involved in the organization; and

Whereas promotional materials provide tangible reminders of USG's presence on campus and can extend the organization's visibility beyond normal programming; and

Whereas the Spring Involvement Fair occurs during winter and branded winter hats provide students with a functional takeaway item that can be worn repeatedly throughout the colder months.

Therefore, Let it Be Resolved that the Undergraduate Student Government General Assembly approves the six thousand seven hundred fifty dollars ($6,750.00) for the purchase of [1]five hundred (500) customized Port Authority Cozy Pom Beanies for distribution to undergraduate students at the Spring Involvement Fair.
