#### *c. Secretary Lily Evans*

- i. Hello everyone, I have been putting the meeting minutes on the USG website once they have been approved by you all. I did need to bring up the constituency reports and for those that were elected in the spring, you all will need to send in a constituency report here soon. You all will have 5 weeks to get them done, just have them into me by the end of fall break. I just wanted to give everyone a reminder to know that it is coming up. I will be sending you all a template to send to me to report on the event so don't worry about that. For those who have not done an event yet, the event could be going to a club event or setting up a table in the oval to talk to people. You just have to go out and talk to people and your constituency and report back what you talked to them about. We do set aside money for each senator to have an event so go ahead and ask me about that if anyone feels like they want to buy anything for their events.
