Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

Because of the current circumstances, I have not been able to host any constituency events. However, I am quite close with the people in my major which makes up a good portion of my population and have been speaking with them. Additionally, we have been hard at work to create legislation related to health and safety on campus including resolutions on the pandemic, mask-wearing, access to period products, and Student Life Disability Services (SLDS) accommodations. So far, we have passed a resolution to encourage professors to

add a mental health statement to their syllabi which we reminded the deans of and got very good responses to. In addition, we are gearing up to send a survey out to students registered with SLDS in order to see where to go next in the project. I would love to hear from any and all of you and hear what you would like to see from me.
