Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

Although I haven't physically have any events for my constituency, I had have been volunteering for my College. These past few weeks, I have been administering mask and gift cards to promote healthy and safety on campus as a Safe and Healthy Ambassador. I also accepted an interview from a student org called "OSU Hillel Student Board" where I will discuss my goals and upcoming resolution./ideas I have this year.
