Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

Being a new member of GA, I have spent most of my time since being elected on learning the ins and outs of writing legislation and co-sponsoring resolutions, and have been able to collaborate with my fellow senators in our D&I issue committee meetings. Recently, I was a co-sponsor on resolution 53-R-11, and am looking forward to working with other senators on the Ban the Box resolution in the near future. Given the circumstances with COVID-19, I am in the process of altering my original plans to hold in-person events for on-campus living students; I hope to collaborate with other on-campus senators to look into virtual event options, specifically targeting the current
