Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

I've co-sponsored multiple resolutions, including 53-R-11 (A Resolution to Recognize Latinx Heritage Month) and the resolution to encourage students to put their pronouns on Carmen. I'm one of USG's representatives in the Public Safety Advisory Committee,

meeting once a month to try to improve the safety of Black students on campus. Outside of GA, I've been to all D&I meetings helping to prepare upcoming resolutions, as well as Oversight Committee meetings, to try to make the process of voting in the chamber easier for all senators. I've also had meetings with students leaders outside of USG, including OSU Hillel, the Muslim Student Association, and the North and South Sudanese Association.
