Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

One way in which I have been trying to represent the student voice since being elected to the General Assembly is by sponsoring and cosponsoring resolutions. As of September 30, 2020, I have sponsored 2 resolutions (53-R-6 and 53-R-12) and

cosponsored 4 (53-R-5, 53-R-9, 53-R-10, and 53-R-11). These resolutions ranged from reaffirming student voting rights to encouraging the university community to display their pronouns on CarmenCanvas. In addition, one of my main projects this past year has been working on the 2020 LGBTQ+ Campus Climate Report. The report has many recommendations in it that seek to improve the LGBTQ+ student experience at OSU, including creating a campus LGBTQ+ Center, instating a university-wide LGBTQ+ Affairs committee, creating a LGBTQ+ Learning Community, and much more. I hope to continue to represent the student voice and connect with my constituents during my term despite the COVID-19 pandemic.
