Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

Due to COVID-19, it has been difficult to directly interact and reach out to my constituents, but I have been sure to hear the concerns of my peers College of Engineering. As a new member of USG, I am also working on learning the ins and outs of how General Assembly works in order to best serve my constituents. I am serving on the Allocations committee as well as the Student Affairs committee to work towards improving the student experience, especially with the added stress we all are experiencing due to the pandemic as well as the rigorous curriculum engineering entails. I hope to
