Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

This term, I serve as Speaker of the General Assembly. Because of this, my contribution to legislation is different than in my previous term. While I cannot voice opinions on the floor of the Assembly, as my role is to preside over discussion, I have an even larger role behind the scenes. I still continue to talk to classmates throughout Fisher about student government and their visions for Ohio State and USG and represent their important voices in the conversations I am able to be a part of.
