10/16/2017	Office of Student Life	Leadership Week	Office of Student Life

Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

I have been able to work with my committee to raise awareness on some of the issues within the university. I have also worked closely with senators to come up with legislation that we plan on presenting to the General Assembly in the upcoming week.
