## General Assembly Constituency Report 2

Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

*I have passed a few resolutions in the chamber to benefit my constituents and all students of Ohio State. I passed the resolution to install a restroom in the Morrill Tower Dining Location. I also plan on meeting with individuals to talk about the bathroom issue, it has been brought to their attention already. I attend GA regularly and if I am unable I always send an alternate. I try to ask questions or discuss resolutions to make sure my voice is heard and I am always respectful to other senators and conduct myself professionally.*
