Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

Rebecca Slavik and I are both Arts and Sciences Advancement Ambassadors, which will serve as another way for us to delve into our constituency and discuss the issues going on. Unfortunately, I was not able to attend the RPAC event but my co-senator and I plan on setting up a table in an arts and sciences building to hand out donuts and talk with our constituents very soon! PLEASE reach out with any concerns that you would like brought up to our attention. We are both extremely open-minded and helpful and want to discuss the important issues with our constituents.
