Date	Organization/Event Name	Discussion Topics	Primary Contact Info for Organization/Group
9/15/17	Studying in the library	I was sitting there at a table with a few guys and eventually we ended up talking and sharing majors and while only a couple of them were in my constituency, we discussed how they feel OSU doesn't always prepare them enough for job hunting, and how they would like to be more aware of resources on campus.	I am not sure of their emails, but I have the phone number of one of the guys if needed.
9/13/17	GA in the Oval (@ the RPAC)	I was fortunate enough to get to talk to a guy who stated he was a psychology major within my constituency who did not have any concerns to bring forward at the moment but instead was more interested in hearing about what	I did not get his contact information, however I was able to pass mine and USG's along if he needed.

we do and how he can take part if
he were to ever need to.

Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

Since being elected, I have made it my mission to ensure that I am seeking out new ways to make this campus safe and inclusive for all students. Due to my passion in this, I have reached out to various university officials and have managed to set up a meeting with Dr. J in the near future to discuss what we can do to ensure that, although U.S. Government officials are not swearing to protect against sexual assault on campuses, Ohio State will be the best it can be in preventing and combatting sexual assault on our own campus.
