Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

In order to best represent my off-campus constituents, I have attended every General Assembly session save for one, which I was unable to attend due to a night exam. I have scrutinized and voted on every legislation to the best of my abilities, supporting legislation that will protect first amendment rights of student expression & speech and fighting back against the window art ban on north campus. Within Cabinet, I am a member of the Sustainability Committee, and am hoping to implement projects from that committee not only on-campus but in off-campus areas, in order to benefit the Ohio State and Columbus community at large.
