Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

The GA Meet and Greet was a great chance for me to connect with other OSU students. I was able to communicate with multiple students about a variety of topics. This event allowed me to better understand the concerns of my constituents. Later in the year, I plan on creating a constituency event, so that I will be able to connect with my constituents more.
