General Assembly Constituency Report 1

Since being elected to be part of the General Assembly, what have you done to represent the student voice in the chamber and in other relevant circumstances?

Since the time of my election I have had regular meetings with Chris Adams, the Assistant Director of Admissions and Student Services to discuss constituency concerns, ideas, and opinions. I have attended the Glenn College faculty and staff meetings and to learn about the direction of the college in the next few years as it relates to and affects undergraduate students. I have also engaged with first year students in the Glenn College who are a part of the John Glenn Civic Leadership Learning Community to ensure they are aware of the opportunities, and resources the Glenn College provides and that they are transitioning smoothly.
