

Budget Proposal Example:

Autumn Enrichment Grant Budget Proposal

<u>Budget Item</u>	<u>Price</u>
Registration Fee	185 €, approximately \$208.25 USD
Round-trip flight to Leipzig	\$800
Airbnb booking for six nights	\$400
Total Expenses	\$1408.25
Total Expenses from AEG	\$1008.25

The funding from USG would cover the registration fee and the round-trip flight to attend the conference. I received scholarship money to cover the housing from the conference and therefore would only need the AEG to cover the flights and the registration. This funding along with my scholarships is the only reason this trip and experience are an option for me.
