48-R-21

**A Resolution to Advocate for Student Safety by Ending the Mirror Lake Jump**

Joseph Warnimont (for himself, Annie Greer, Levi Cramer, Braden Poe, and Bobby Singh) introduced the following resolution into Steering where it passed.

\* \* \*

**Whereas** the Undergraduate Student Government represents all undergraduate students at The Ohio State University, and

**Whereas** The Ohio State University has a long history of different traditions practiced by its students for the sake of school spirit, and

**Whereas** traditions end over the years for various reasons, including safety,<sup>1</sup> and

**Whereas** the tradition of jumping into Mirror Lake during the week of the Ohio State vs University of Michigan football game has occurred in one form or another since 1990<sup>2</sup>, and

**Whereas** this event has been riddled throughout its history by accidents and crimes, and

**Whereas** the tragic loss of life that occurred at the most recent Mirror Lake jump on the morning of November 25, 2015 underscores the very real danger the event poses to participants;

**Therefore Let it Be Resolved** that the Mirror Lake jump should be ended, and

**Let it Further Be Resolved** that the Undergraduate Student Government will make every effort to support a new tradition created by the students that celebrates our university while respecting the safety of its students, and

**Let it Further Be Resolved** that USG offers its condolences to the family and friends of Austin Singletary and mourns the loss to the greater university.
