38	Whereas Ohio State chapters, IFC executive members, or national headquarters of IFC
39	chapters were neither consulted nor alerted about this suspension before the email was
40	sent, and
41	
42	Whereas in the last 2 months, Florida State University, Louisiana State University, and
43	Texas State University suspended Greek life activities after a fraternity pledge died at
44	each institution, and
45	
46	Whereas after a week of suspension, LSU allowed some Greek life activities to resume,
47	including all university-sponsored homecoming events, philanthropy or service events,
48	intramural events, and meal services at the houses, including new members, and
49	
50	Whereas the University of Michigan's student-run Interfraternity Council suspended all
51	Greek life social activities and new member education programs in the wake of multiple
52	allegations of sexual misconduct claims involving fraternity brothers, the allegations of 6
53	dangerous instances of hazing, more than 30 hospital transports during the October 7 th
54	football game against Michigan State University, as well as 7 more hospital transports
55	during Halloween weekend, and
56	
57	Whereas this decision at Ohio State was made due to 11 out of the 37 chapters being
58	under investigation over the course of the Fall 2017 semester for possible violations of
59	the OSU Student Code of Conduct, and
60	
61	Whereas the details of any chapter's investigations are confidential and unlisted, and

65	
66	Whereas an understaffed Office of Student Conduct cannot properly, timely, or
67	thoroughly investigate alleged violations;
68	
69	Therefore, Let it Be Resolved that the Undergraduate Student Government does not
70	support the blanket suspension of all 37 chapters without proper investigation and
71	consideration of the actions of individual chapters, and
72	
73	Let it Further Be Resolved that the Undergraduate Student Government supports the
74 75	Interfraternity Council in their efforts to have recruitment and new member activities reinstated by the proposed date of January 7th, 2018, as the result of these activities being
76	suspended after this date could be detrimental to many chapters.

101	Subject: Social, Recruitment and New Member Activities Suspended
102	Subject. Social, Recruitment and New Member Activities Suspended
103	
101	The Greek community at Ohio State has a long and rich tradition of leadership, service
106	and brotherhood/sisterhood. However, when individual members or organizations fail to
107	live up to the standards and values set forth by the university, your chapters and your
108	international organizations, the entire Greek community suffers.
109	It's deeply troubling that eleven of our Interfraternity Council (IFC) chapters have been
110	under investigation this semester for possible violations of the Code of Student Conduct,
111	which represents more than a quarter of our IFC chapters. This is an unacceptably high
112	number, and the university will not tolerate behavior that puts the health and safety of
113	students at risk. As a result:
114	I am hereby suspending all social, recruitment and new member activities for
115	Interfraternity Council chapters until further notice, effectively immediately.
116	This proactive step is being taken so that the IFC community takes a pause to reflect and
117	create individual, actionable strategies for the future. Our expectation is that each chapter
118	will develop a plan and implementation timeline to ensure that the culture of their
119	organization is aligned with the stated values of Ohio State's Greek community,
120	responsibilities outlined in the university's Code of Student Conduct and expectations of
121	their respective national or international organization. As always, we will make the
122	resources of our Sorority and Fraternity Life team available to support you as you
123	complete this important work. Additionally, we are planning forums to further support
124	and engage in proactive dialogue with you.
125	During the period of this directive, your chapter may request to participate in essential
126	activities only. Essential activities may include, but are not limited to, standing
127	chapter/executive board meetings and/or long standing philanthropic events. Social
128	activities of any kind are not essential activities, nor are any activities that include
129	alcohol. Please be aware that your peer organizations will be informed of this directive.
130	List of Essential Activities. As a result of this directive, all IFC chapters are required to
131 132	provide the Sorority and Fraternity Life staff a list of your organization's essential
132	activities through January 7, 2018, including dates, times, locations and the rationale behind why your organization believes the activity is essential to the operation of your
133 134	chapter. Lists must be received by 4:30 p.m. on Monday, November 20, 2017, and can
104	enapter. Elsis must be received by 4.50 p.m. on worlday, November 20, 2017, and can

be forwarded to sfl@osu.edu. Our team will review your information and take your

136 recommendations under advisement. Until then, you are not to engage in any activities.

137 **Organization Notice.** Chapter leadership is required to provide notice that your chapter

138 has been issued this directive to all members of your chapter, including new members of

- any yet-to-be initiated members involved in a new member or "pledge" process. You
- 140 must send this notice via email, with a copy to sfl@osu.edu, by 4:00 p.m. on Friday,
- 141 November 17. Your email must explicitly state that no further activities may occur
- 142 unless they are essential activities approved in advance by the Sorority and Fraternity
- 143 Life staff. You are encouraged to include a copy of this letter with your notification144 message.
- 145 Failure to comply with the terms of this directive may result in disciplinary action under
- 146 the Code of Student Conduct for Failure to Comply with University Authority.
- 147 To be direct, we expect the Interfraternity Council community to join together and

148 become a full partner in creating a culture that truly reflects the values of the Ohio State

149 Greek community. We need your action in making clear that misguided and

150 inappropriate behavior will not be tolerated. You have our full support in this effort, and

- 151 we look forward to working collaboratively with each of you and with the IFC Executive
- 152 Board in setting a positive path forward.
