48-R-16

A Resolution to Support Visit Rollover

Cameron Luther (for himself, Annie Greer, Kurt Shaffer, Joe Warnimont, Christopher Waidelich, Daniel Marchese, Sarah Souders, Caroline Gonzalez, and Mikayla Bodey) introduced the following resolution to the General Assembly

* * *

Whereas the Undergraduate Student Government represents all undergraduate students at The Ohio State University, and

Whereas 30% of undergraduate students live on campus¹, and

Whereas those 30% of undergraduate students who live on campus are required to buy a meal plan, and

Whereas four of the five on-campus meal plans have a certain allotment of prepaid Traditions visits that expire every week on Sunday night², and

Whereas from Wednesday, November 25th to Friday, November 27th, many students will be going home for Thanksgiving break, and

Whereas no dining location will be open on Thanksgiving and no Traditions or Market locations will be open on the Friday of that week³, and

Whereas whether or not students are on campus, they will receive the same number of visits during the week of Thanksgiving despite having less time to use them, and

Whereas the significant loss of value from visit expirations necessitates an affordable and simple solution;

Therefore Let it Be Resolved that the Undergraduate Student Government supports a revision to the meal plans which allows visits from the week of the 23rd of November to roll over to be used at students' discretion in any subsequent week of the fall semester, and

Let it Further Be Resolved that beginning spring semester 2016, all Traditions visits should be allotted once at the beginning of the semester, with weekly rollover until the end of the semester.
