**A Resolution to Support Decreased Paper Waste in USG**

Abby Mackey (for herself) introduced the following resolution, which was referred to the steering.

\* \* \*

**Whereas** the Undergraduate Student Government represents all undergraduate students, and

**Whereas** The Ohio State University has made a long term commitment to expanding its Zero Waste policies and initiatives, and

**Whereas** the Undergraduate Student Government recognizes its responsibility as an organization to serve as a model for all groups in its own commitment to sustainability, and

**Whereas** action is needed to decrease paper waste internally in the Undergraduate Student Government, as well as decrease paper waste amongst students, staff, and faculty at the university, and

**Therefore Let it Be Resolved,** that the Undergraduate Student Government requires all paper documentation related to USG that is distributed at The Ohio State University contain a notation encouraging the recycling of that material.
