

A Resolution to Support the Implementation of a New Roommate Pairing Process

Maria Humayun (for herself, Erin Donnelly, Farhan Quadri, Savannah Sockwell, and Jordan Malpass) introduced the following legislation to the Steering Committee, where it passed.

* * *

Whereas the Undergraduate Student Government represents all undergraduate students at The Ohio State University, and

Whereas the University of Indiana¹ implemented a “Schools App” which is directly linked to a roommate finder with a personality quiz for students to fill out to find their matches, and

Whereas the Purdue University² has a separate website that includes the ability to see matches based on other submissions, and

Whereas Michigan State University³ has Room Sync via Facebook is designed to help you in your search for the perfect roommate, and accesses your general interests, activities, and likes, and

Whereas The Ohio State University has a roommate questionnaire which does not always yield good matches;

Therefore, Let it Be Resolved that the USG supports the implementation of a more thorough roommate pairing process.
