

USG Organizational Development Grants

Organizational Development Grants are to be given to student organizations to help them develop their organization. They may be provided to organizations that have been founded or restarted within two (2) years of the application for a USG Organizational Development Grants. Organizations may apply for this grant at the beginning of a semester, as they are only offered once a year, and the specific deadline is to set by the Allocations Committee, typically by the end of the month of November . Organizations may only receive one (1) grant, valued at two hundred fifty (250) dollars. Any further requirements for the grant and the application process shall be defined by the bylaws of the Allocations Committee.
