5 6 7	Kurt Shaffer (for himself and Maria Vargo) introduced the following resolution to the Steering committee where it passed.
7 8 9	* * *
10 11 12	<b>Whereas</b> the Undergraduate Student Government represents all undergraduate students at The Ohio State University, and
13 14 15	<b>Whereas</b> college affordability is integral both to Ohio State's land grant mission and to President Drake's 2020 Vision for the university, and
16 17 18	<b>Whereas</b> the Board of Trustees received a recommendation to freeze in-state tuition for the 2016-2017 academic year at their April meeting, and
19 20 21 22	Whereas this marks the fifth straight year of in-state tuition freezes, which occurred alongside a \$20 million expansion in the access grant program and cost cuts across all units, a feat which goes unrivaled among peer institutions, and
23 24 25	<b>Whereas</b> the tuition freeze is estimated to generate combined savings for undergraduates upwards of \$83.5 million versus a standard 2% increase, and
26 27 28	<b>Whereas</b> the Undergraduate Student Government recognizes that the innovation required to make such a significant investment in student affordability is truly praiseworthy; and
29 30 31 32 33 34	<b>Therefore Let it Be Resolved</b> that the Undergraduate Student Government hereby confers its strongest commendation to President Drake and his executive leadership team for their boldness and initiative in steering the university through such a prolonged period of frozen in-state tuition, which has made Ohio State a national example of excellence in higher education affordability, and
35 36 37 38 39	Let it Further Be Resolved that the Undergraduate Student Government will continue to work with the administration in further advancing affordability goals to the benefit of all students.
