

GA Member: Melissa Chime

Constituency: South Campus

Constituency Report 1 49th General Assembly

So far as a senator I have attended every GA session and have reviewed every piece of legislation brought to the floor, and have considered how each one would impact my constituents when I voted. I also attended the GA meet and greet on the oval, where I was able to meet some of my south campus constituents and talk to them about what I did as their senator.

Meetings and Events Attended/Hosted
