Constituency Report 1 49th General Assembly

Throughout my tenure as The Exploration Senator, I have discussed and voted on legislation while keeping all Exploration students in mind. I have met with constituents individually about intercollegiate advising to facilitate discussion between Exploration Students and their potentially intended advisors to learn the required classes and other nuances of the particular college. Additionally, my committee garnered unanimous support from all undergraduates for a Resolution encouraging companies to support H.R. 3861 and S. 2457, The Employer Participation in Repayment Act of 2016, which encourages employers to help pay off student loan debts. I look forward to continue my research for policy to better serve you!

Never hesitate to reach out to me with questions, comments, or concerns on my work as an Exploration Senator or USG in general! I can be contacted 24/7, through the power of email, at branum.6@osu.edu.
