Constituency Report 1 49th General Assembly

As a member of the 49th General Assembly, I have already co-sponsored two pieces of legislation (one advocating for tuition dollars covering 21 credit hours as opposed to the current maximum of 18 and another advocating for supporting H.R. 3861 and S. 2457, The Employer Participation in Repayment Act of 2016, which encourages employers to help pay off student loan debts). I have also participated in the discussions of other pieces of legislation that have come before our body. I have done so while keeping the best interests of all OSU students in mind and in my sights.
