Constituency: Commuter

Constituency Report 1
49th General Assembly

So far as commuter senator I have attended every GA session, and have voted in favor of all resolutions, in that, I found them to be beneficial to my constituency. I have also been working with a student organization on campus in writing a resolution about expanding the Good Samaritan Policy here at Ohio State to increase the safety of all students when in need of medical attention without having to worry about academic repercussions of seeking help. I also attended the Senator Meet and Greet on the oval where I talked to some of my constituents about my role and how they can use me to improve their experience at Ohio State. I also serve in University Senate on the Committee of Academic Misconduct where I have been trained and am soon to attend my first hearing.
