Constituency Report 1 49th General Assembly

I have co-sponsored Resolution 49-R-15 A Resolution to Support the Inclusion of a Mental Health Statement on Course Syllabi and 49-R-13 49-R-13 A Resolution to Implement a Feedback Form for University Dining Services, where they passed.

I have also voted in favor of passing resolutions such as 49-R-12, which supports allowing students to petition to take up to 21 credit hours for no additional charge.

I also serve on the Health and Safety committee where I plan on writing resolutions that support the improvement of student services and transparency.

I also serve as the Secretary of the General Assembly. You can find the minutes from our previous meetings at http://usg.osu.edu/generalassembly/minutes_, which I encourage all students to utilize to stay informed.
