

A Message to the Student Body from The Undergraduate Student Government at The Ohio State University Regarding the Discontinuation of DACA

On Tuesday, September 5th, The White House ended the Deferred Action for Childhood Arrivals (DACA) program, which will impact many Ohio State Buckeyes.

The Undergraduate Student Government at The Ohio State University opposes the discontinuation of the DACA program. Buckeyes who are protected by DACA have worked incredibly hard to attend Ohio State, and make our university stronger. These students deserve to continue working towards their dreams. As one Buckeye family, we are all connected by our love for Ohio State, and we will support all students, regardless of their immigration status.

The Ohio State University and The Undergraduate Student Government are committed to ensuring that every member of our Buckeye Family is able to stay a member of our Buckeye Family.
